PRESIDENT: Senator Dworak.

SENATOR DWORAK: Mr. President, colleagues, I rise in opposition to Senator Goodrich's amendment to Senator Carsten's motion to unbracket. I think it is time to fish or cut bait on this matter. Let's hear it, up or down. It is not that complicated of a bill. Let's make a decision on it.

PRESIDENT: All right. The question then is the adoption of the amendment to Senator Carsten's motion. Record your vote. Record.

CLERK: 9 ayes, 20 nays.

PRESIDENT: Fails. Senator Carsten.

SENATOR CARSTEN: I renew my motion to unbracket 409.

PRESIDENT: All right. The motion is to unbracket 409 promptly. Record your vote. Have you voted? Please vote. Have you all voted? Record.

CLERK: 26 ayes, 11 nays.

PRESIDENT: The motion carries. The bill is unbracketed. It is on Select File.

CLERK: Mr. President, a motion on the bill.

PRESIDENT: Read the motion.

CLERK: Mr. President, I move to strike the Committee amendments. Signed Senator Dworak.

PRESIDENT: The Chair recognizes Senator Dworak.

SENATOR DWORAK: Mr. President, colleagues, by striking the Committee amendments, we give the board more authority to decide whether a person is qualified as a CPA or not. If you want the board, the review board, to have the authority, you will vote to strike the Standing Committee amendments. If you want the criteria to be established in the statutes, you will accept the Committee amendments. I move that you...I think the board should have this authority and would ask you to support this motion to strike the Committee amendments.

PRESIDENT: Senator Carsten.

SENATOR CARSTEN: Mr. President, I have a question of Senator Dworak, if I may.

SENATOR DWORAK: Yes.

PRESIDENT: Senator Dworak, doesn't the board have the requirement to pass on this now as well as after your amendment is adopted, if it is?
